Subject: Hi Tony, Josh, and Amy!

Hi guys,

I'm sending some photos of the new place that (as I told Tony) really don't do it justice. I'm not a professional photographer and it is really hard to get a good shot of all your handiwork. I cannot tell you how many people comment on the timberframing and the workmanship. We are so happy with how everything came together. You are all true craftsmen and your work is awesome. And, you are all absolutely the best to work with!

Please remember that you are always welcome to stop in and see the real thing if you are ever in the area.

Thanks,

Eileen Van Fleet
